

MARINA BAY CONDOMINIUM ASSOCIATION

HOUSE RULES AND PROCEDURES

These rules have been compiled by the Marina Bay Board of Directors. It represents the updating of the previous House Rules.

It is regrettable that so many rules are required, but community living makes them necessary. It is the hope that these rules will be voluntarily complied with. All rules will be enforced by the property manager, who is backed by the Board of Directors.

Any criticism of building employees' work or conduct shall be reported to the property manager in writing.

No owner, tenant or guest shall direct or reprimand any employee of the building or any tradesman working under the direction of the property manager.

Human nature being what it is, it is virtually impossible to have rules that will satisfy everyone. These rules are designed to be in the best interest of most. Those who are not pleased are urged to cooperate for the overall good of the community. It should be kept in mind if that experience so indicates, rules can and will be changed.

All owners, tenants and guests are urged to read and abide by them.
