

Jupiter Village - Phase 2 HOA

Approved Paint Colors

April 2017

- 1) The chart below is the Jupiter Village Phase 2 approved paint chart.
- 2) It lists all the unit numbers in Phase 2 along with the corresponding trim, wall, and roof colors.
- 3) Unit owners are responsible for the exterior maintenance of their units.
- 4) No exterior maintenance, including painting, may be performed prior to **submission and approval of ARB form** by the Board of Directors.
- 5) All units attached in the same building **MUST** be painted the same color.
Wall, trim, door and roof colors **MUST** be consistent for the entire building.
- 6) Roof colors cannot be changed and **MUST** be consistent with all units in the entire building.
An ARB must be submitted to and approved by the Board of Directors before any roof maintenance can be done.
Please provide a sample of the roof shingles to be used.

- >> For the paint colors listed below, the color names and card numbers match **BEHR paint colors from Home Depot**
- >> BEHR has revamped their wall of colors in the store at Home Depot and have new colors and cards for the paint colors on the wall display.
- >> Home Depot can make the BEHR colors that are on our paint chart **based on the name** of the color.
Some of our color names will not have an actual card on the display wall anymore.
- >> Home Depot will be able to provide you the colors on the approved paint chart when you tell them that you would like:
- BEHR (*insert color name here*) - - semi gloss (for trim color)
- BEHR Navajo White (1822 old# or 22 new#) - - satin (for wall color)
