Sidewalks: We have begun fixing the sidewalk areas that needed to be removed and concrete repoured. The work should be done soon, rain permitting, so please be careful when walking around the community.

New projects and next meeting: We have a long list of new projects that we wish to take on this year. Come and hear all about them at our next board meeting on December 15, 2015, at 7 pm, at the Clubhouse (always the third Tuesday of every month, same place, same time). If you can't make it, you can read all about them in our next newsletter or you can check out last month's minutes (and many previous minutes) on our property manager's website, Seabreezecms.com.

We wish everyone a safe, peaceful, and wonderful holiday season.
