Welcome to The Atrium at Palm Beach Shores. This booklet is a compilation of the most current Rules and Regulations of The Atrium property. These rules apply to all Owners, tenants, and their guests. Compliance with these rules will help to keep our *“Little bit of Paradise”* a great place to reside.

For this to happen, every Owner is asked to encourage compliance with Association rules by politely and respectfully speaking to those persons who are not abiding by the rules.

This is not just the responsibility of Board members.

Thank you for your efforts and consideration.

Guiding Principles

We are a diverse community of 140 Owners, and as such, it is important that Owners and their guests be sensitive and respectful of others. These Rules and Regulations are intended to promote the general welfare of the Atrium Community, and ensure that everyone can enjoy the amenities of The Atrium without interfering with the enjoyment of others. In the interest of protecting Homeowners and their families, preserving property values, and enhancing the quality of life within the community, these Rules and Regulations shall govern all Owners and Residents within The Atrium. Nothing in this policy is intended to act to discriminate against any protected class, to wrongfully deprive anyone of housing or to violate any provision of the Fair Housing Act (FHA). We expect residents to act in this spirit of respect and cooperation.

The Rules & Regulations focus on the following:

- Safety & Security – Promote the physical safety and security of Atrium residents and their property.
- Enjoyment – Allow residents to enjoy the property with minimal restrictions, while placing reasonable restrictions on actions that are considered disruptive.
- Protect Investment – Responsibly maintain and protect the value of the units, common property and community assets.
- Community Responsibility – Comply with all government laws and regulations.

When a situation arises that is not addressed by a specific rule, these guiding principles will form the basis for resolution.

These Rules and Regulations apply to all residents and visitors of The Atrium. Owners are responsible to inform guests and visitors of these rules. In the event of a violation of the rules, Owners are expected to cooperate with Atrium staff and Board Members to promptly remedy the situation. Delays in remedying a violation, or repeated commission of violations, may result in consequences including fines and/or restriction of certain privileges. An appeals process is available to Owners who wish to challenge a recorded violation. The process for notifying residents and Owners of violations, monitoring and verifying remedies, administering fines and penalties, and evaluating appeals, is available in the Atrium Office.

1. Private Residence. The Atrium at Palm Beach Shores is a private dwelling residence. Apartments may not be used or advertised for the purpose of carrying on a business, profession, or trade, or for any purpose other than as a private residence.

2. Applicability of Rules and Regulations.

- 2.1. The rules and regulations apply to all persons on the premises.

2.2. OWNERS ARE RESPONSIBLE FOR THE CONDUCT AND ACTIONS OF THEIR FAMILY MEMBERS, GUESTS, TENANTS, AND VISITORS. OWNERS ARE LIABLE FOR DAMAGES TO COMMON AREA PROPERTY AND EQUIPMENT CAUSED BY THEMSELVES, THEIR FAMILY, GUESTS, TENANTS, AND VISITORS. OWNERS SHOULD COMMUNICATE RULES TO FAMILY MEMBERS AND GUESTS.

2.3. Legal actions and/or the imposition of fines may be applied when necessary to enforce the Rules and Regulations.

3. **Sale or Purchase of an Apartment.** The Sales and Leases Committee provides support and oversight of the transfer of Ownership of units, subject to the following requirements:

3.1. An owner shall sell to no more than two (2) individuals. The maximum number of persons (Owners, renters, and overnight guests) allowed to occupy an apartment is two (2) for a studio apartment and six (6) for a two-bedroom apartment.

3.2. Pets are not permitted.

3.3. An Owner shall not sell an apartment or any interest in it without the approval of the Board of Administration. The apartment must be compliant with all structural and design codes. No change of title will be made in the Association records until the requirements described below are met.

The Owner shall submit the completed Application to Purchase and a copy of the Purchase Agreement at least thirty (30) days prior to the scheduled closing date. The Certificate of Approval is contingent on the title being in the same name on both the application and Deed.

3.3.2. Prospective buyer(s) shall be personally interviewed by the Sales and Leases Committee prior to the approval of the Application to Purchase. The Board of Directors may run a criminal background check and/or credit check on all prospective purchasers and/or donee(s) and has the power to promulgate new rules and regulations regarding sales from time to time.

If there are not four (4) keys, the new Owner may purchase additional keys to the apartment up to a total of four (4) at \$100 per key. Lost Medeco keys may be replaced at a cost of \$100 per key. A written explanation of the loss is required.

3.5. One set of apartment keys must be on deposit in the Office. These keys will be stored in the Office for emergency use only – in the event of fire, flood, illness, death, or emergency repairs. 4.7. An Owner(s) who individually or jointly own(s) more than one apartment shall not rent more than one apartment in any given rental year (July 1 through June 30).

4.8. If it is determined that an apartment was rented without the approval of the Sales and Leases Committee, then a subsequent request for a lease approval for the same apartment may be denied.
