Exterior Changes

Need ARB Form

Please remember, no exterior alterations may be made without prior Board approval. An ARB Form is to be used when you wish to change or alter the exterior of your house or grounds. For example, if you want to paint, plant plants/trees, install hurricane shutters, doors, windows or roof replacement an ARB Form would be filled out giving description of items.

The Board will review your request and will notify you of their decision.

ARB Forms

available online at

www.seabreezecms.com.

Please note: if alterations or changes are made without prior Board approval, you may have to remove or restore the area back to original condition at your expense.
