EMBASSY PARK CONDOMINIUM **RULES AND REGULATIONS**

1/12/2016

NOW, FOR THE BENEFIT OF THE CONDOMINIUM, THE FOLLOWING 'RULES AND REGULATIONS' AS ARE PROMULGATED HEREIN WILL BE ENFORCEABLE EFFECTIVE 12 JANUARY 2016, AS FOLLOWS:

1. **CONDOMINIUM'S GOVERNING DOCUMENTS; INSPECTION OF OFFICIAL RECORDS:**

- a. The property known as "Embassy Park", a 'Condominium' (the 'Condominium') is a validly constituted condominium project governed by applicable federal, state, municipal, local, and agency statutes and regulations. Additionally, recorded in the public records of Palm Beach County, are Declarations of Condominium, Articles of Incorporation, Survey Exhibit, and By Laws all governing the property and its 'Use and Occupancy' rights therein (the "Condominium Documents"). Within the Condominium Documents is the authority for the Board of Directors of the Condominium (the "Board") to promulgate "Rules and Regulation", further proscribing means and methods for day to day administration of activities within the Condominium.
- b. The Rules and Regulations as detailed herein are effective as of the above date. These Rules and Regulations supplement and do not modify the Condominium Documents; and in the condition of an inconsistency the Condominium Documents govern. Definitions herein are generally identified with "quotation" marks and are meant to be consistent with the Condominium Documents.
- c. All Unit Owners and Occupying Parties (below defined), their family members, guests, invitees, employees, contractors, sub-contractors, agents, affiliated transients, and/or other parties within the property of the Condominium are subject to and governed by the Condominium Documents and Rules and Regulations. Such documents are subject to change from time to time, in the sole discretion of the authorized authority. It is the responsibility of any and all affected parties to be knowledgeable as to the most current Rules and Regulations.
- d. The Condominium is managed by the Embassy Park Condominium Association, Inc. (the "Association"). Per the Condominium Documents day to day management is affected through the actions of an elected Board. Board members, officers, members of committees, etc. are volunteers and not paid for their service.
- e. Official Association Documents and records are available to Association Members for review in conformance with the Condominium Documents and applicable state statutes. It is the intention of the Association to comply with the State of Florida Statutes; and a longstanding Association policy is to allow Membership total access to all Board meetings, official records, and other Association Documentations. Copies of official Documents are available at the expense of the requestor.
- f. Interested parties can obtain copies of the Condominium Documents and/or Rules and Regulations by downloading from public internet sites and/or the Sea Breeze Website. You can also stop by the Sea Breeze office with \$50 in cash to request they print out the Document Set for you.

FYI, here are the rules regarding that pickup:

-The container must not be loaded past lid closing capacity and it must not be packed so tightly that it will not tumble easily out of the container

-Nothing can be put into the container that will prevent other items inside from falling out.

-Building materials – large pieces of wood, plaster, concrete, mattresses, furniture, tires of any kind, pallets, drums, and other bulky items must **NOT** be put into the container.

-Hazardous waste must not be placed inside dumpster containers.

-Dead animals must not be placed inside dumpster containers.

-Commercial refuse must be drained of all liquids before being placed for collection.

-**ALL** wet garbage, food materials, and sawdust must be placed in a securely tied plastic bag before being placed inside the container to prevent unsanitary conditions and avoid strewn or blown around refuse. It is the customer's responsibility to keep the inside of the dumpster free of spilled liquids and garbage.

-Additional material placed beside the container will be left if there is no one at the service location to reload the container for an extra collection at that time.
